Dear Wanda,

For as long as we have been acquainted, I am unhappy to say this is the first year we have had classes together and become friends. I am sincerely happy that our paths have finally met. I hope that you have enjoyed this year's friendship as long as I have. You are a very sweet and cute girl, and I hope our friendship will last and grow. Hope that we can share some more laughs and crazy jokes together next year. Next year we will actually be seniors.

Wow! for us. We will have lots of fun next year if we share classes I know. Hope that we don't lose contact of each other even if we don't have any classes together. Luck and happiness always.

Your friend,
Betty Lynne Adles

ALL IN A DAY'S WORK...

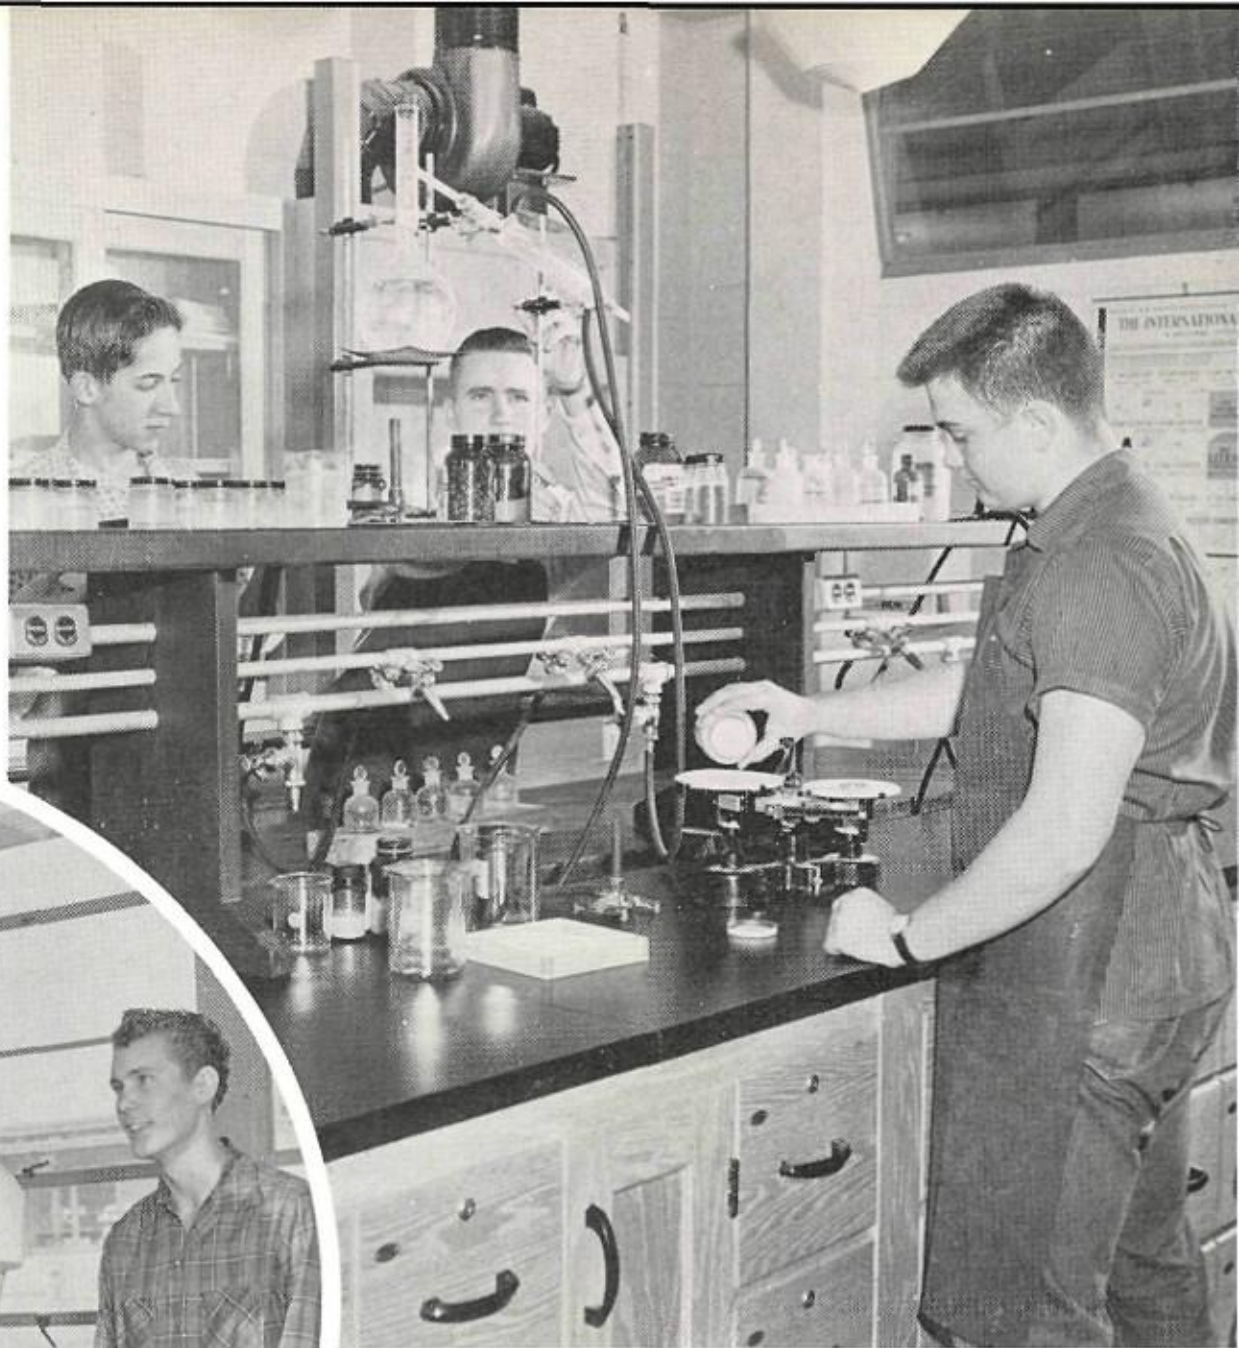

(free ride - you know!)

In this new section of the 1956 Geep, we have striven to illustrate some of our activities in Geep High which are "all in a day's work."

CHEMISTRY

Everyone is grateful for the opportunities afforded by a modern Chemistry Department such as ours. Chemistry students gain a valuable knowledge in both laboratory experiments and classroom lectures.

BIOLOGY

In our biology classes students study subjects ranging from the smallest of plant life to human anatomy. Since it combines the main elements of botany and zoology into one science, biology gives our students a general, practical knowledge of everyday things.

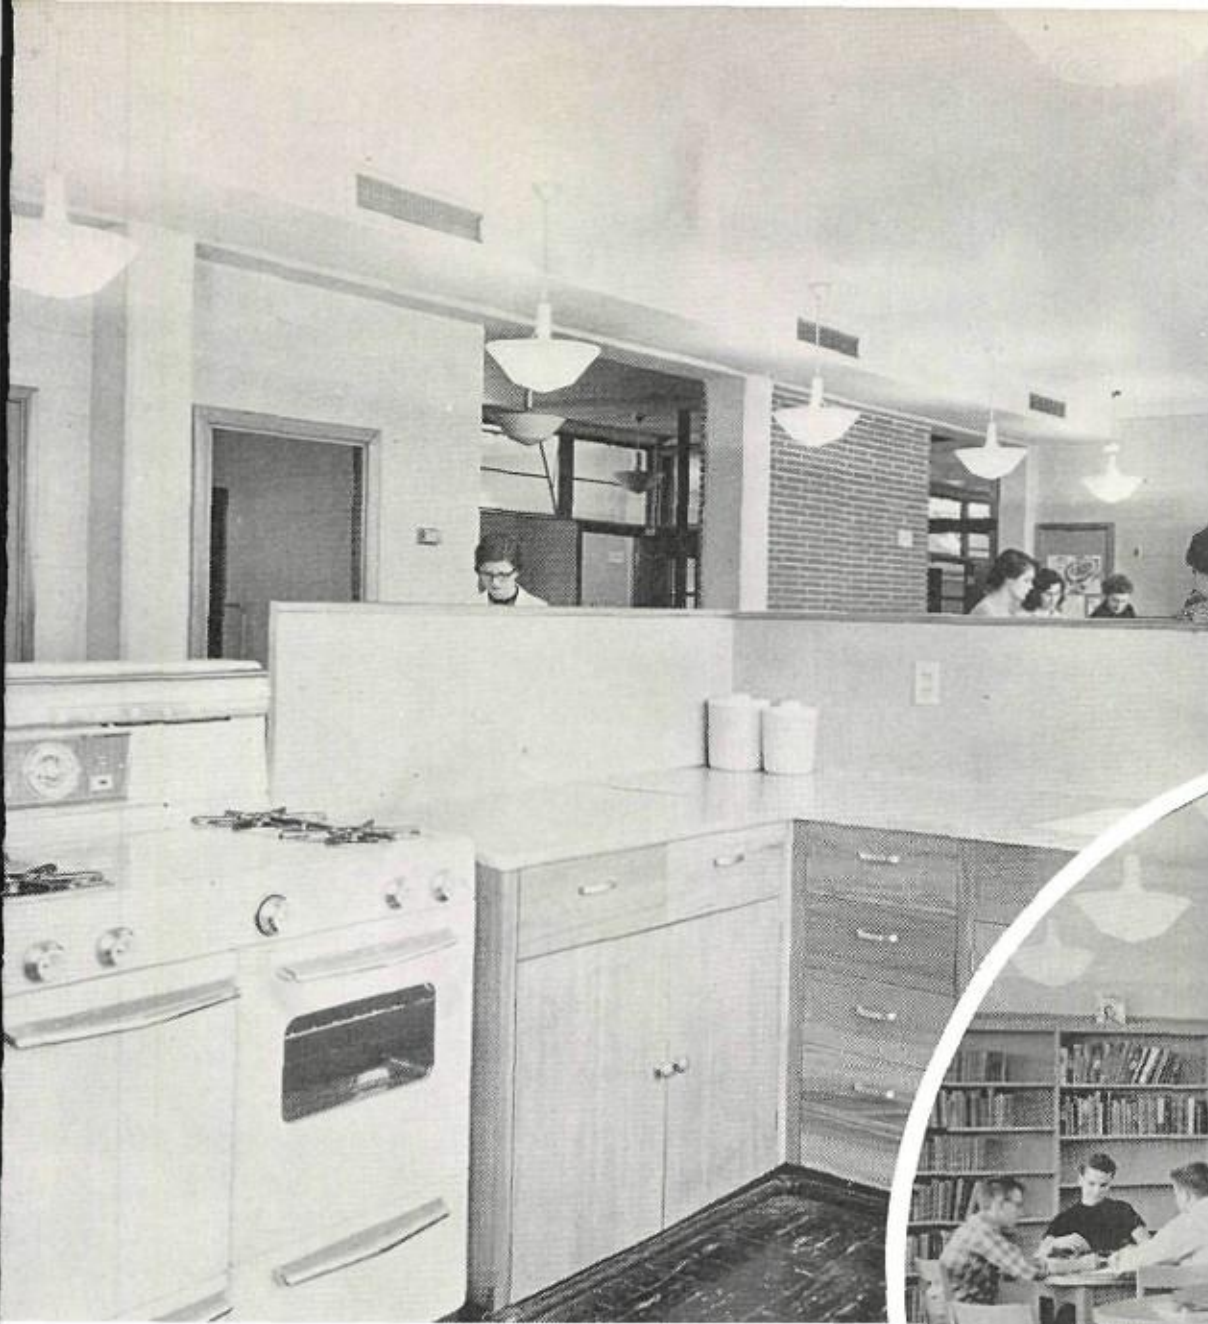

PUBLICATIONS

The primary purpose of the Publications Department is to serve the students of Geep High through the school paper, the Prairie Dog, and the annual, the Geep. The staffs of these two publications consist of students carefully selected by the advisor from journalism and publications classes on the basis of their qualifications.

HOMEMAKING

The homemakers of tomorrow can be found working and training for their important task in Geep High's Homemaking Department. In studying sewing and cooking alternately, the girls acquire a well-rounded education in the art of managing a home.

LIBRARY

Every student has the privilege of using and enjoying Geep High's excellent library. Our library caters to the needs and interests of high school students. Besides the many and varied books, periodicals, and newspapers which the library has, it also offers a variety of personal guidance booklets for student use.

SPEECH

In addition to teaching the art of public speaking, our Geep High Speech Department endeavors to develop poise and self-assurance for leadership in future activities.

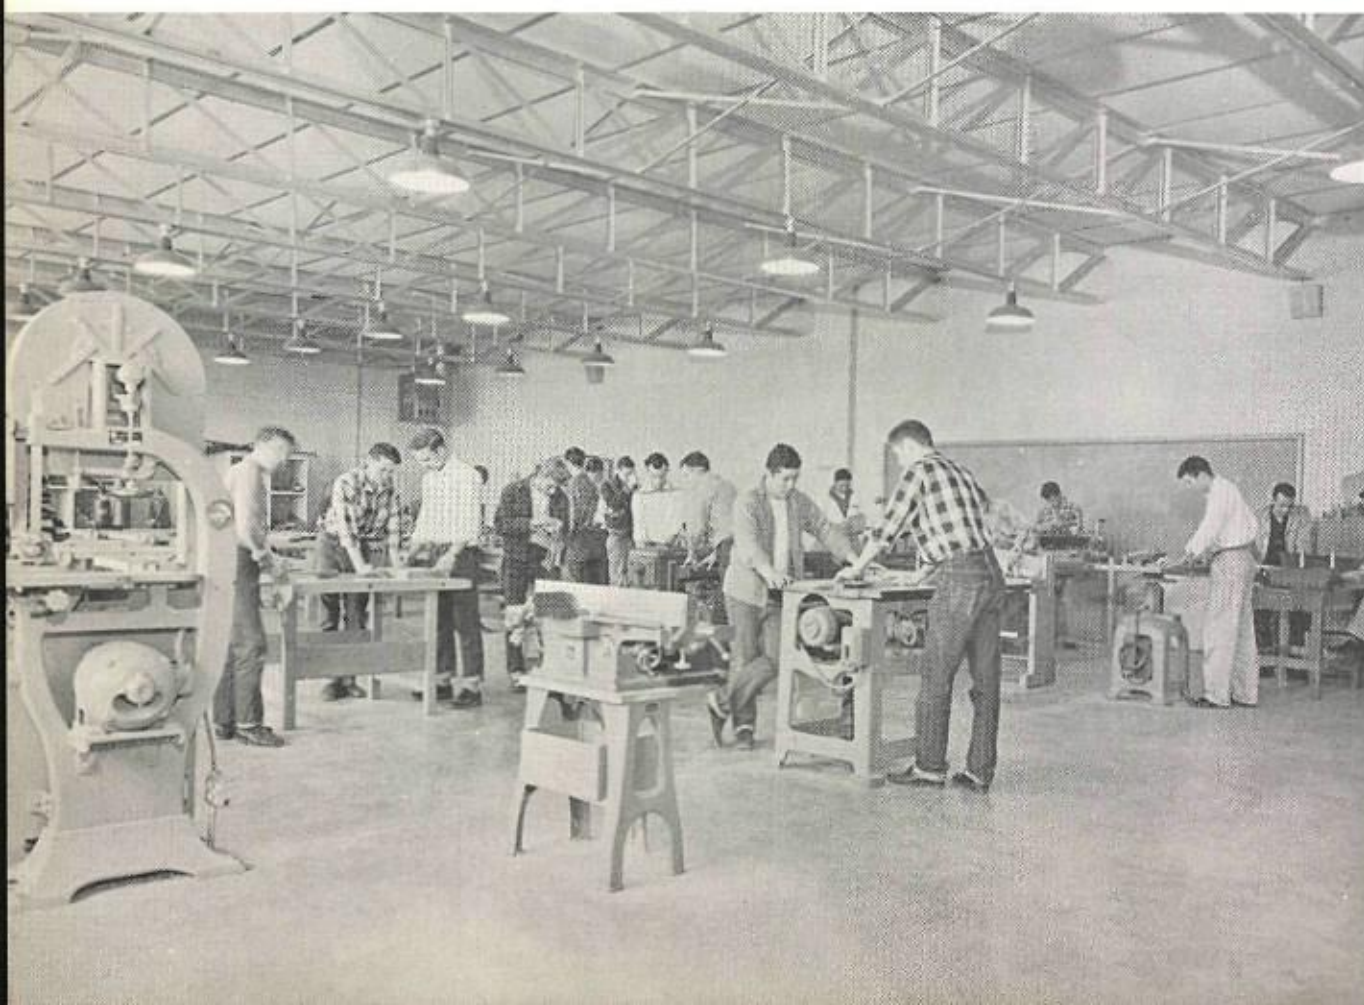

DRIVER EDUCATION

The purpose of Driver Education, a comparatively new course offered in high schools, is to teach safe driving habits to beginning drivers in order to have a safer, better-trained generation of motorists using the nation's highways.

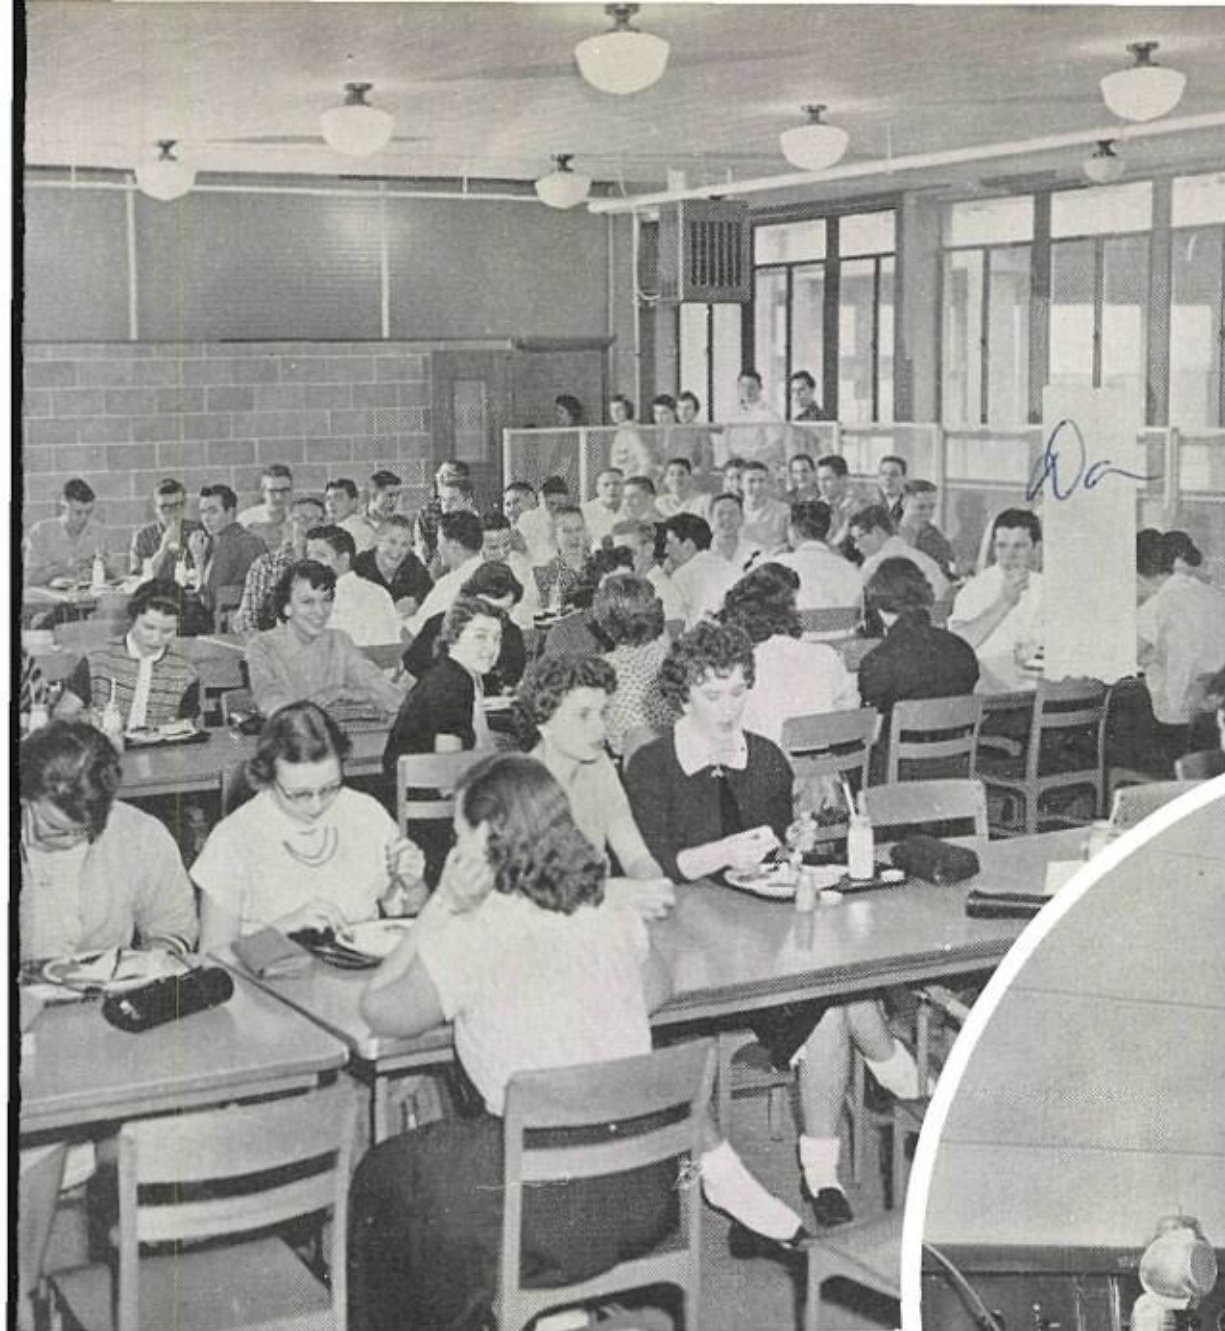

TYPING

Because of the popularity of typing as a course, our Typing Department is one of our largest departments. In all of the typing classes, accuracy is emphasized more strongly than speed, and as students earnestly try to attain accuracy, they attain speed as well.

SHOP

In our well-equipped Shop Department, boys learn to use mechanical machinery and hand and power tools safely and correctly. As well as giving the boys experience in the use of tools which may be of value in future jobs, shop courses provide an interesting activity.

CAFETERIA

During five lunch periods each day, hundreds of Geep High students take advantage of the well-balanced, nourishing meals served in our high school cafeteria. The specially planned menus give students an appetizing variety of meals each week.

DEVOTIONAL

Our high school devotional program is designed to develop, through inspirational guidance, high personal standards and leadership, as well as faith, tolerance, and understanding. Each morning the students and faculty of Geep High hear an inspirational devotional given by a member of the student body.

BOOKKEEPING

Accounting and precision bookkeeping are easily mastered by the students in our bookkeeping classes. With modern adding machines and their training to help them, Geep High bookkeepers are able to balance their accounts easily.

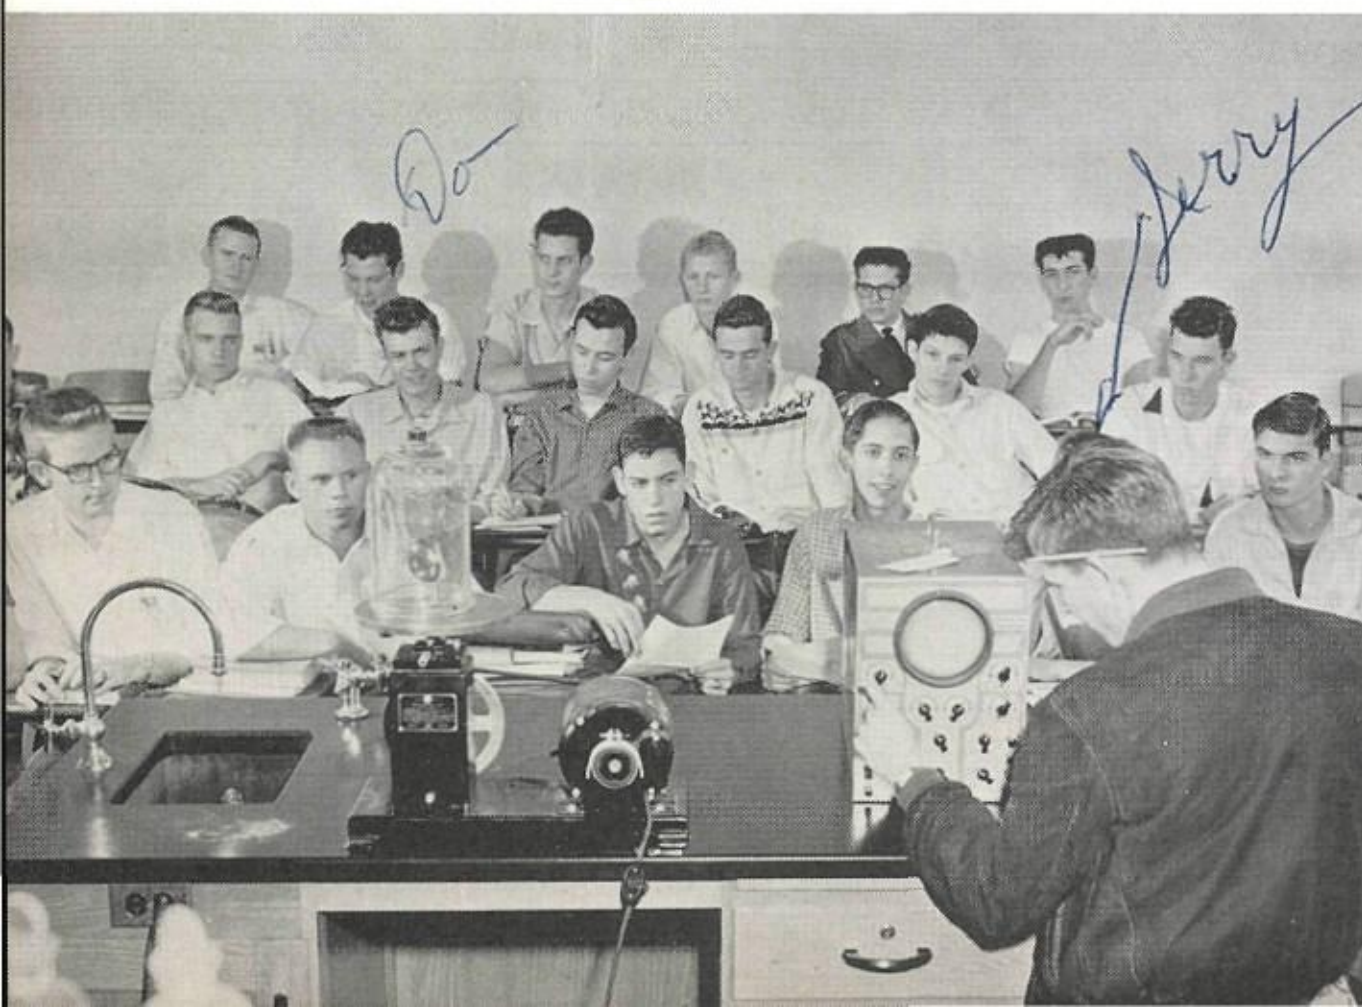

SHORTHAND

"Secretary" is the title toward which the girls in the shorthand classes are working. Taking dictation and transcribing, the girls are being groomed for their jobs as "secretaries of tomorrow."

PHYSICAL EDUCATION

Geep High has an educational program which calls for physical as well as mental development. This need is carried out by our P.E. Department. Each year the P.E. Department plans a full program of activity which includes everything from tumbling and volleyball to folk and square dancing.

PHYSICS

Awakening interest in science and training scientists for the future are two aims of our Physics Department. Geep High students are fortunate to have a physics department which has such modern, excellent equipment for use in the classroom.

To present the unusual array of talent which has been developed through the past six years, the choral department, under the direction of Mr. E. T. BILLY JOE ARMSTRONG—14

Bill was hampered most of the season with a shoulder injury. He did a fine job for us as one of our regular quarterbacks and defensive halfbacks.

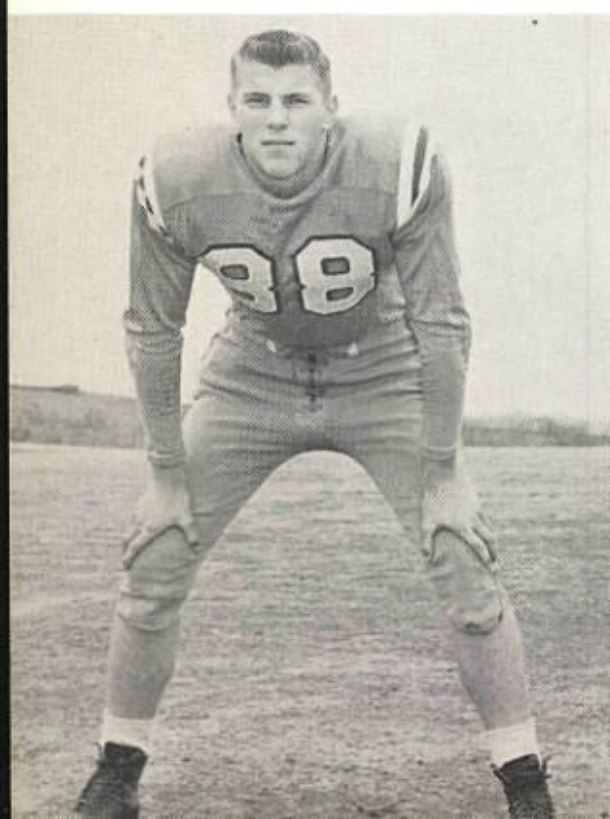

GENE BAKER—10

Gene saw limited action as a wing back this year. With his hustle, spirit and energy, he should be a fine boy next year.

GOPHERS 34

IRVING 7

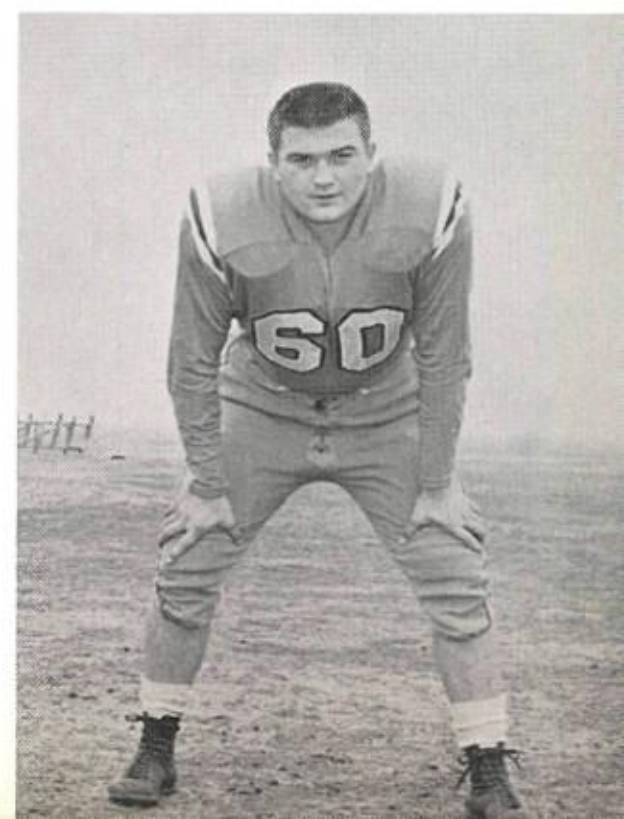

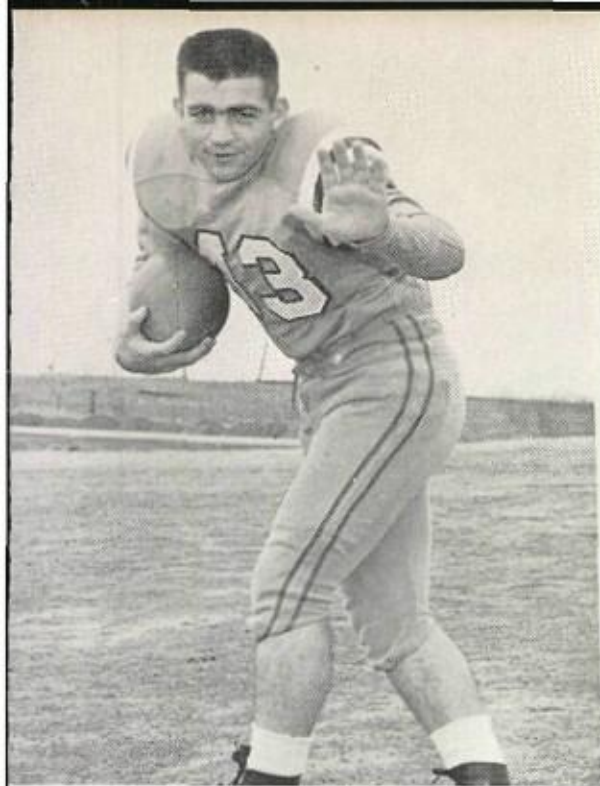

BOBBY BLANTON—88

CHARLES ENGLAND—62

Charles had a knee injury all season. Charlie will do a good job at his guard position next season.

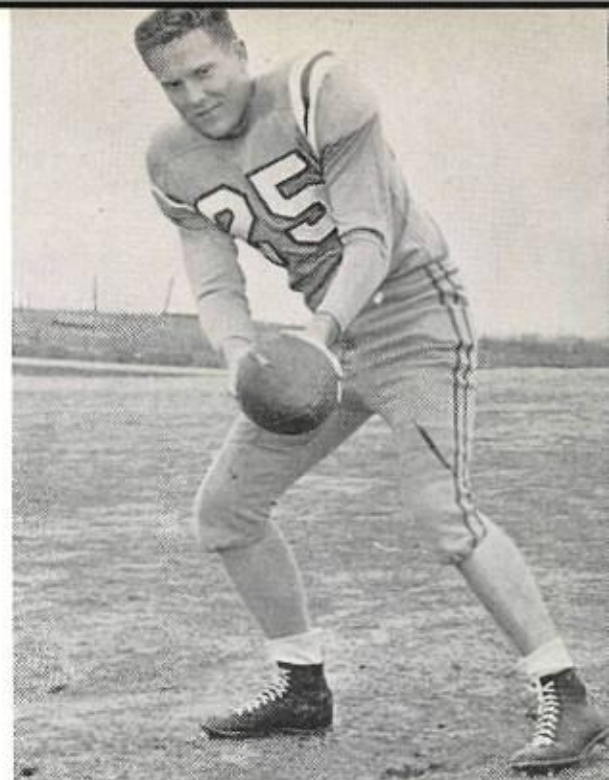

LARRY GLASS—85

Larry split time at left end last year. With his hustle and spirit Larry will do a good job next fall.

One of our tri-captains in '56. A truly fine boy and football player. Kris did a fine job at center and linebacker. We will surely miss him next year.

OLEN MASSEY—64

Olen was one of our regular guards last year. He is a good example of not having to be big to play football. His heart was the biggest part about him. A fine boy who worked and hustled all of the time, was always smiling.

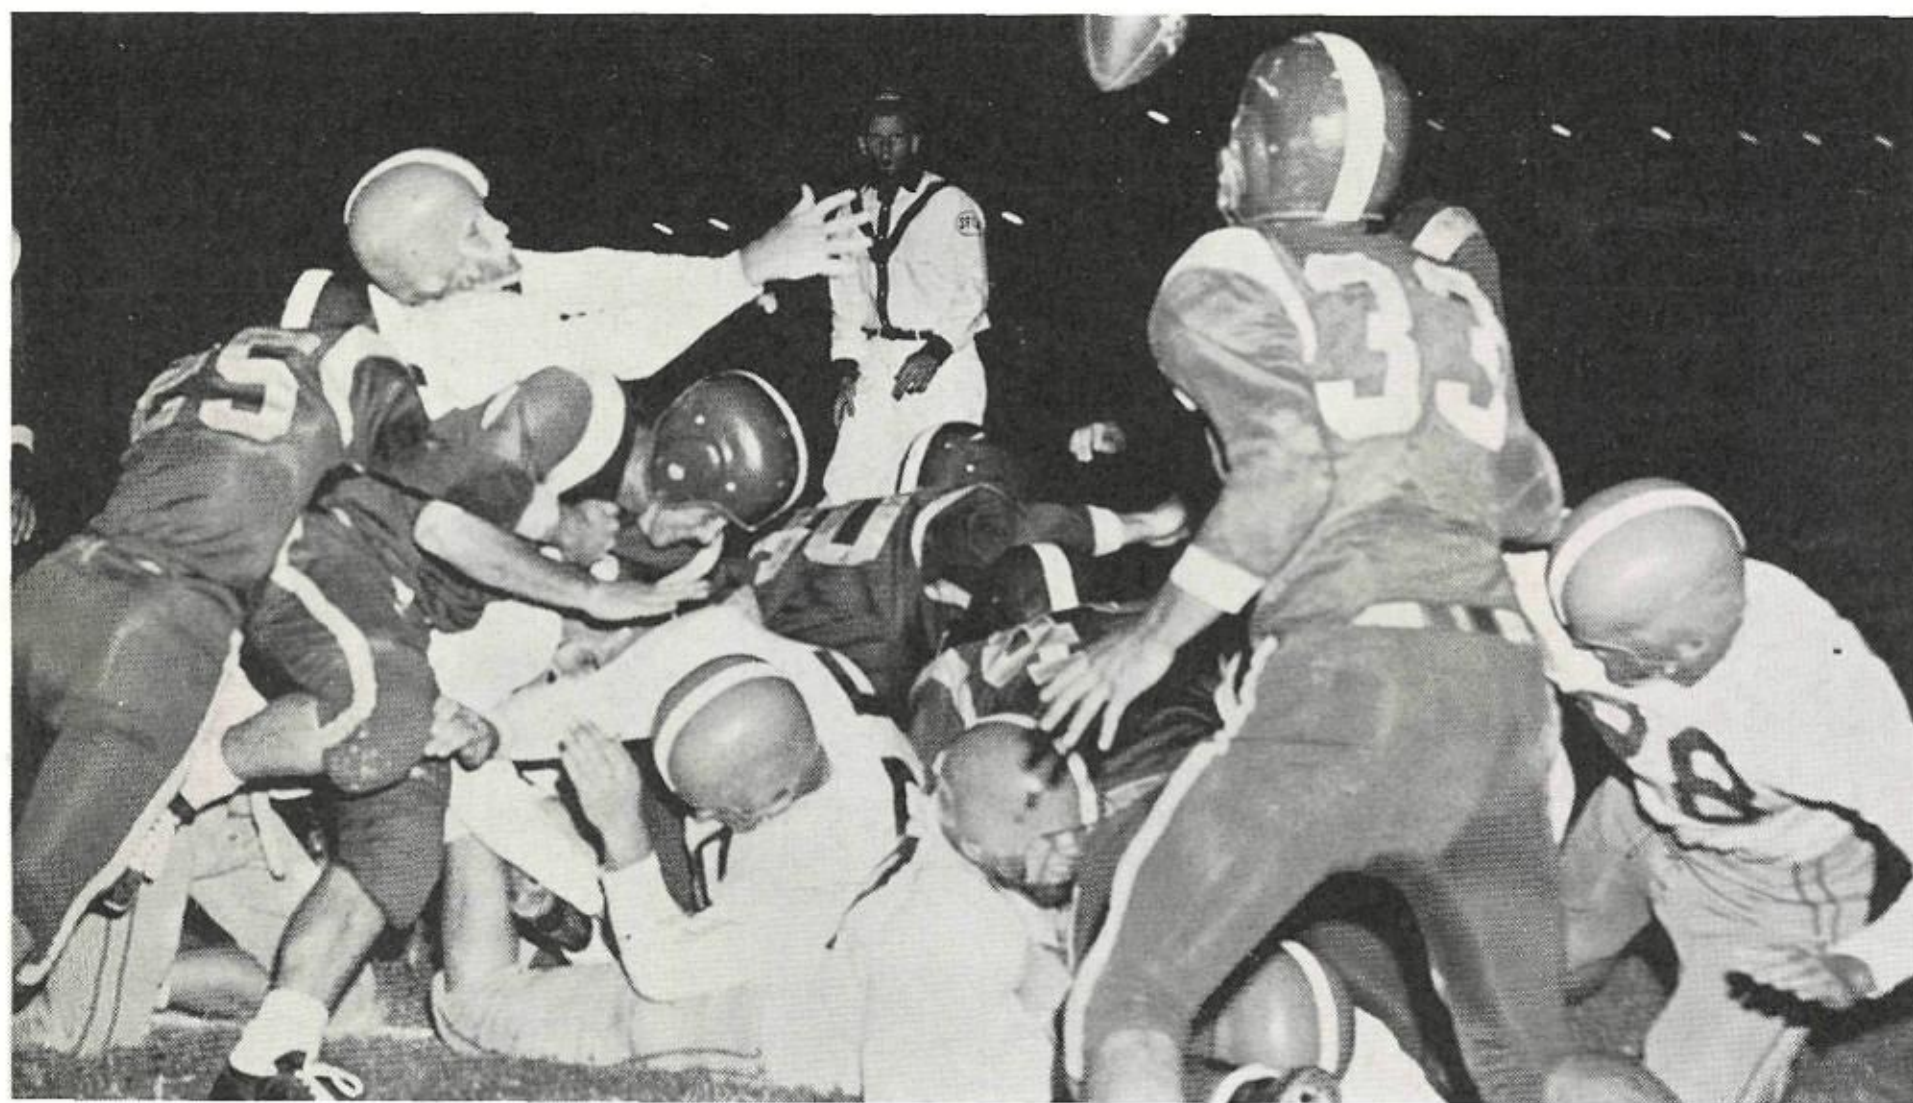

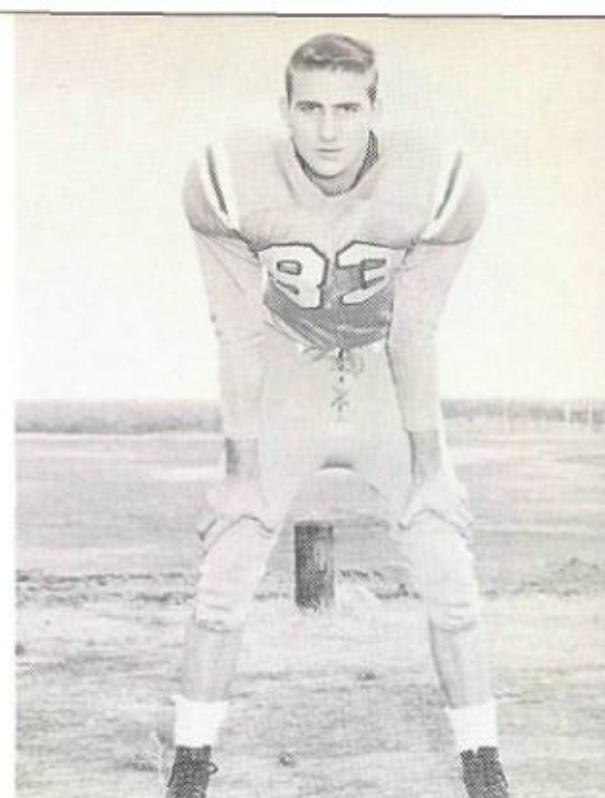

CHARLES McKENZIE—75

Being faster than some backs, Charlie utilized his speed and size to the fullest extent from his tackle position. He was a great down field blocker and was outstanding on defense. Charles deserves the honor of being chosen to the All-State Team.

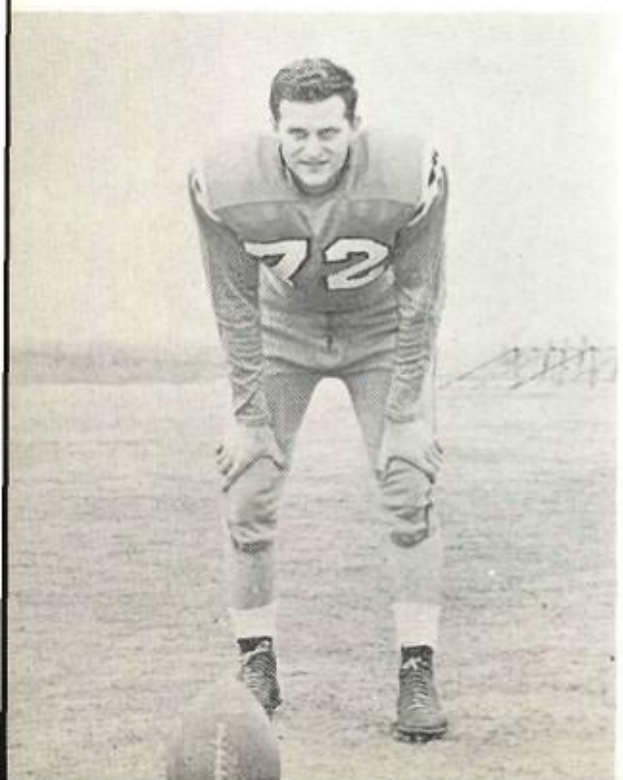

DALE MURPHREY—83

Dale saw limited action at end last season. We are expecting Dale to play some fine ball next year.

GOPHERS 14

RED SPENCER—23

Red was one of our regular quarterbacks last year. He played some fine ball for us.

Les did a fine job for us at linebacker last season. He also saw limited action on offense at a tackle position. We are expecting big things from Les next year.

JACKIE TAYLOR

Perhaps Jackie should be called the "hard luck player." He has had his share of injuries and with no more bad breaks Jackie will do a good job next year.

PETE THOMPSON

Pete missed the '56 season on advice from his doctor, due to an operation. He should be ready to go next year:

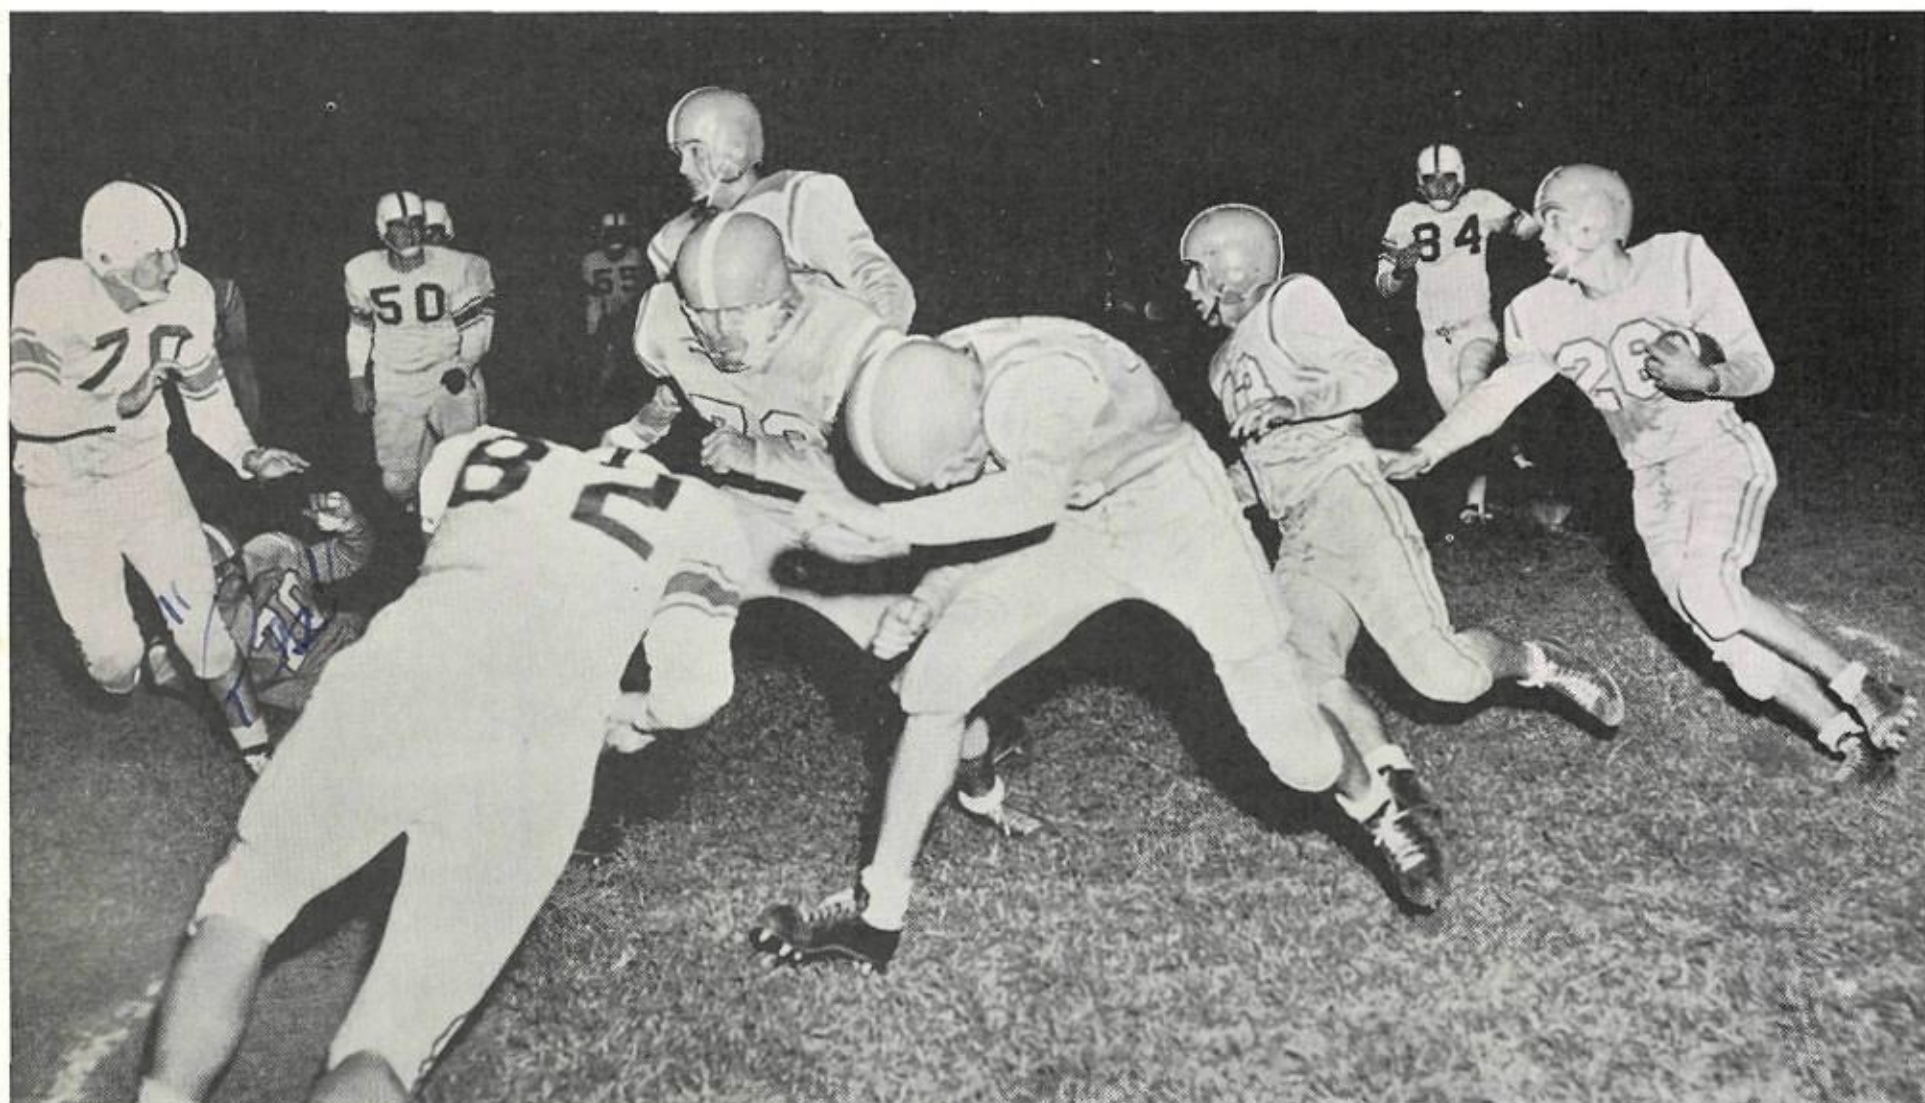

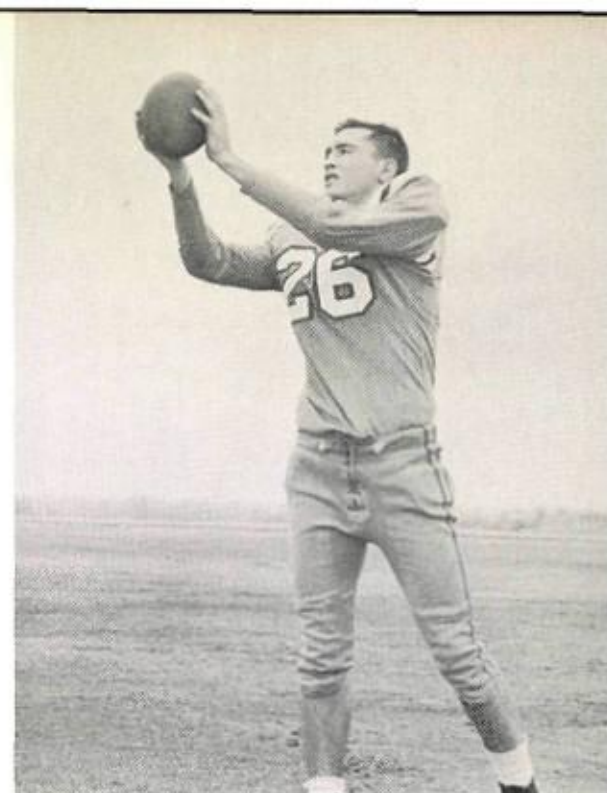

JIMMY VAUGHN-77

Big Jim doesn't know what it is not to hustle and work hard every minute. Jim saw limited service at tackle, but with his hustle, desire and fine attitude he will do a good job for us in '56.

PAT YOUNG—66

Pat is a fine boy and player. He did a fine job as defensive end, linebacker, and center.

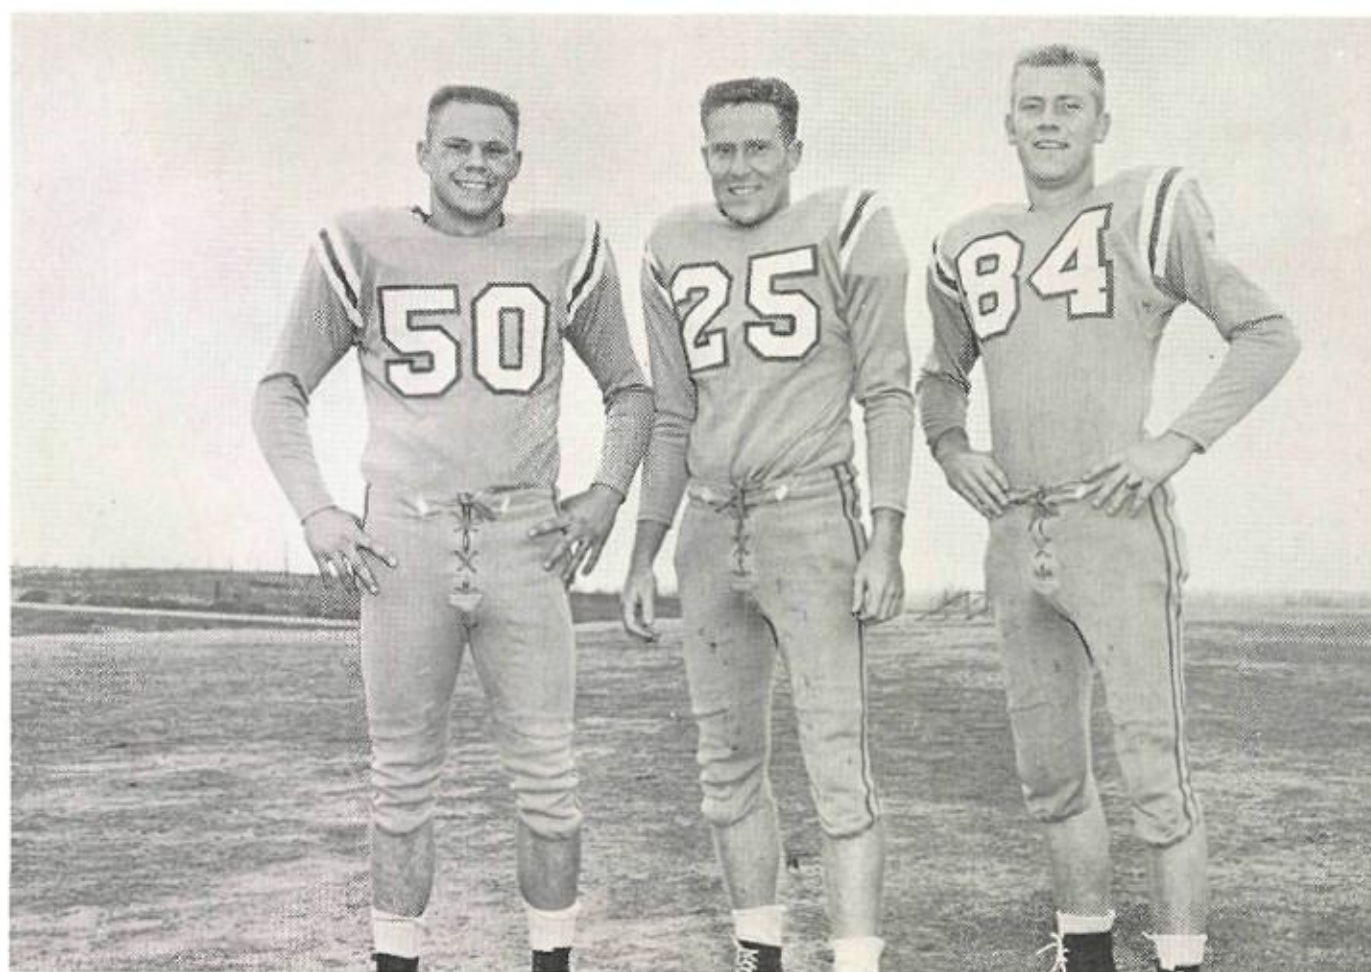

GARY YOUNGBLOOD—84

Gary was one of our tri-captains. A fine boy in every respect and a great competitor. Gary was hampered with an injury, but still did a great job as offensive end and defensive quarterback.

FOOTBALL SWEETHEART

Mary Ann Mayfield

Flanked by the band, Mary Ann is escorted to the center of the football field by Tri-Captains Gary Youngblood, Chub Hendricks, and Richard Krystinik.

The many ex-students who returned to visit their Alma Mater during Homecoming were honored with a dance after the Homecoming football game.

Queen Mary Ann's reign over Homecoming officially begins as she receives her crown and the traditional roses from the Tri-Captains.

After the Homecoming Football game, which the Gophers won from Birdville 20-13, Queen Mary Ann and Tri-Captain Gary Youngblood lead the first dance to begin the evening's festivities honoring the ex-students of Geep High.

The Queen and attendants are confident of the outcome of the football game. Attendants are Billie Jack Knox, Ouida Daugherty, and Myrna Follis.

"B" TEAM REVIEW

HIGHLAND PARK "B"—38 GOPHERS "B"—0

Playing the first game of the season at Highland Park was too much for the young Gophers. They were completely outclassed by a fine Scottie team, who were in mid-season shape. Ronnie Langford played an outstanding game for the Gophers.

"B" GOPHERS—26 GARLAND "B"—13

Playing at home for the first time, the Gophers soundly defeated Garland. Pat Rigby called an outstanding game. Screen passes to David Hunt were most successful, and counted for two touchdowns. The whole squad showed class in the game.

DENTON "B"—33 "B" GOPHERS—0

Denton had too much speed for the young Gophers. It was one of those nights "when nothing goes right." The boys did their best, but they were no match for Denton's speedy attack.

SUNSET "B"—20 GOPHER "B"—7

Mud and superior weight proved to be more than the Gophers could handle, although they stayed in the game until the last minute.

ARLINGTON "B"—24 GOPHER "B"—19

Long runs and sharp passing were the highlights of the see-saw battle. Pat Rigby's fine 60 yard scamper and David Hunt's 84 yard kickoff return were the feature plays of the game.

GOPHER "B"—27 IRVING "B"—0

Scoring the first time they had the ball, the Gophers went on to post a fine team victory. Vicious line play was the keynote of the game.

GOPHER "B"—14 JESUIT "B"—6

The Gophers took a close win in this rough and tumble affair. Jesuit had the best defense faced by the young Gophers all season.

CLEBURNE "B"—24 GOPHER "B"—14

Bad breaks and heavy penalties cost the Gophers this game. They played their best game of the season, but something always stopped them.

THE VICTORIOUS GOPHERS CALL TIME OUT FOR INSTRUCTIONS

In compiling a brilliant 22-6 record for the season and twelve consecutive district wins without a loss, the Gophers shattered several 2-AAA records.

The 1955-56 Gophers were the highest scoring aggregation in the short history of 2-AAA with an astounding 78.4 points per game. But the Gophers didn't stop with the offensive records, they also led the conference on defense by allowing their opponents only 50.2 points per game. The 109 points run up against Weatherford was another district first and possibly an all-time high for 2-AAA. No other team has ever gone through twelve district contests without at least one defeat.

In bi-district play, the best basketball team in Gopher history rallied in the last half to defeat the towering Palo Duro Dons of Amarillo on the Geep High court in the first game of the two out of three series. Although the battling Gophers drove hard, the Palo Duro Dons were victorious in the last two games and won the bi-district series.

JACKIE CRAWFORD
Senior, 6'7"

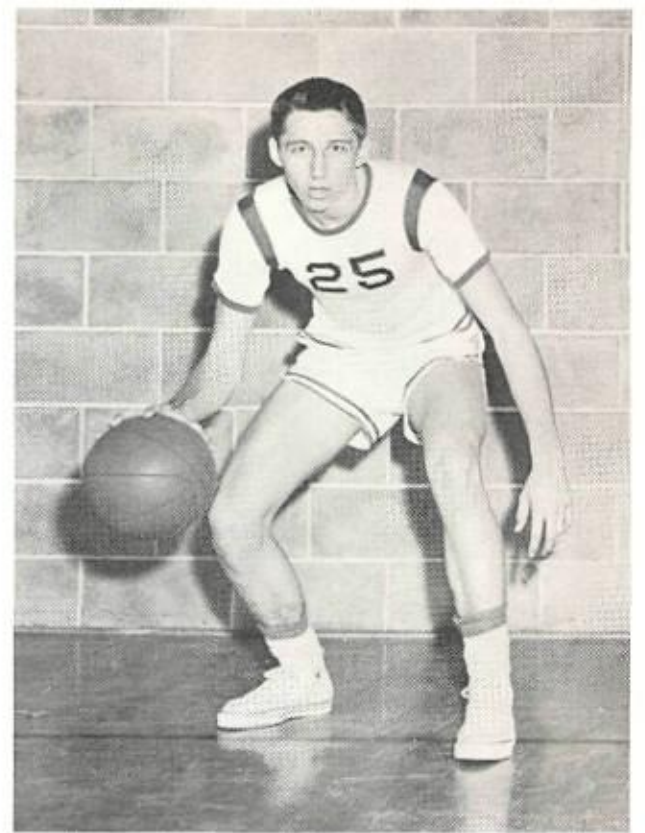

A very fine basketball player. "Shorty" is blessed with fine physical assets plus a fierce determination to improve. He has developed a fine variety of shots which make him a high scorer. His rebounding and defensive plays have shown great improvement. His greatest asset is a fine attitude.

ALVIN DALTON
Junior, 6'2"

A good rugged type of player. A coach always likes to have a boy of Alvin's type on the squad. We are expecting him to develop his scoring by next season and this will make him an outstanding boy.

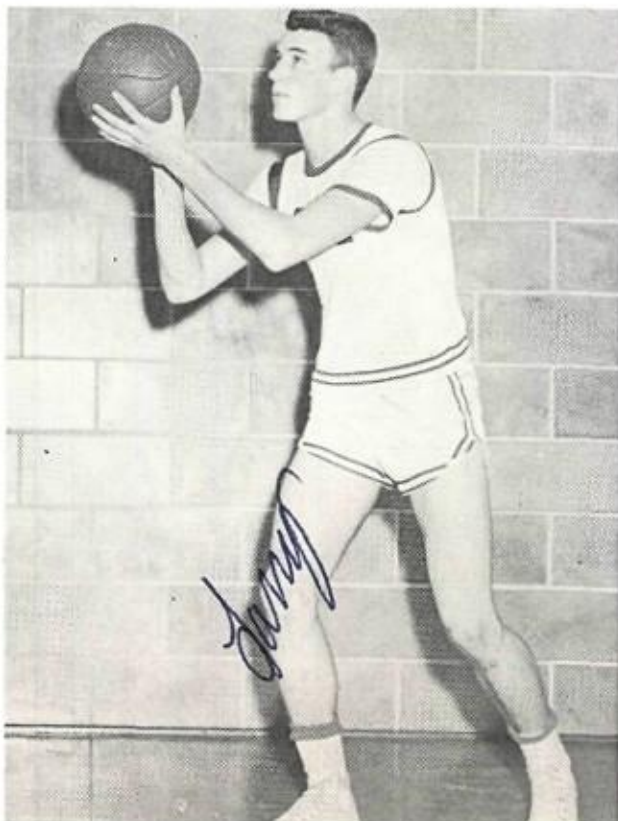

SAMMY FOUNTAIN
Senior, 6'1"

The most improved player on the squad. A really great rebounder for his size. He has astounded both opposing players and coaches with his ability to get the ball off the boards. A fine shooter plus being a fine position player on defense would make Sammy a welcome addition to any team.

LARRY GLASS
Junior, 6'0"

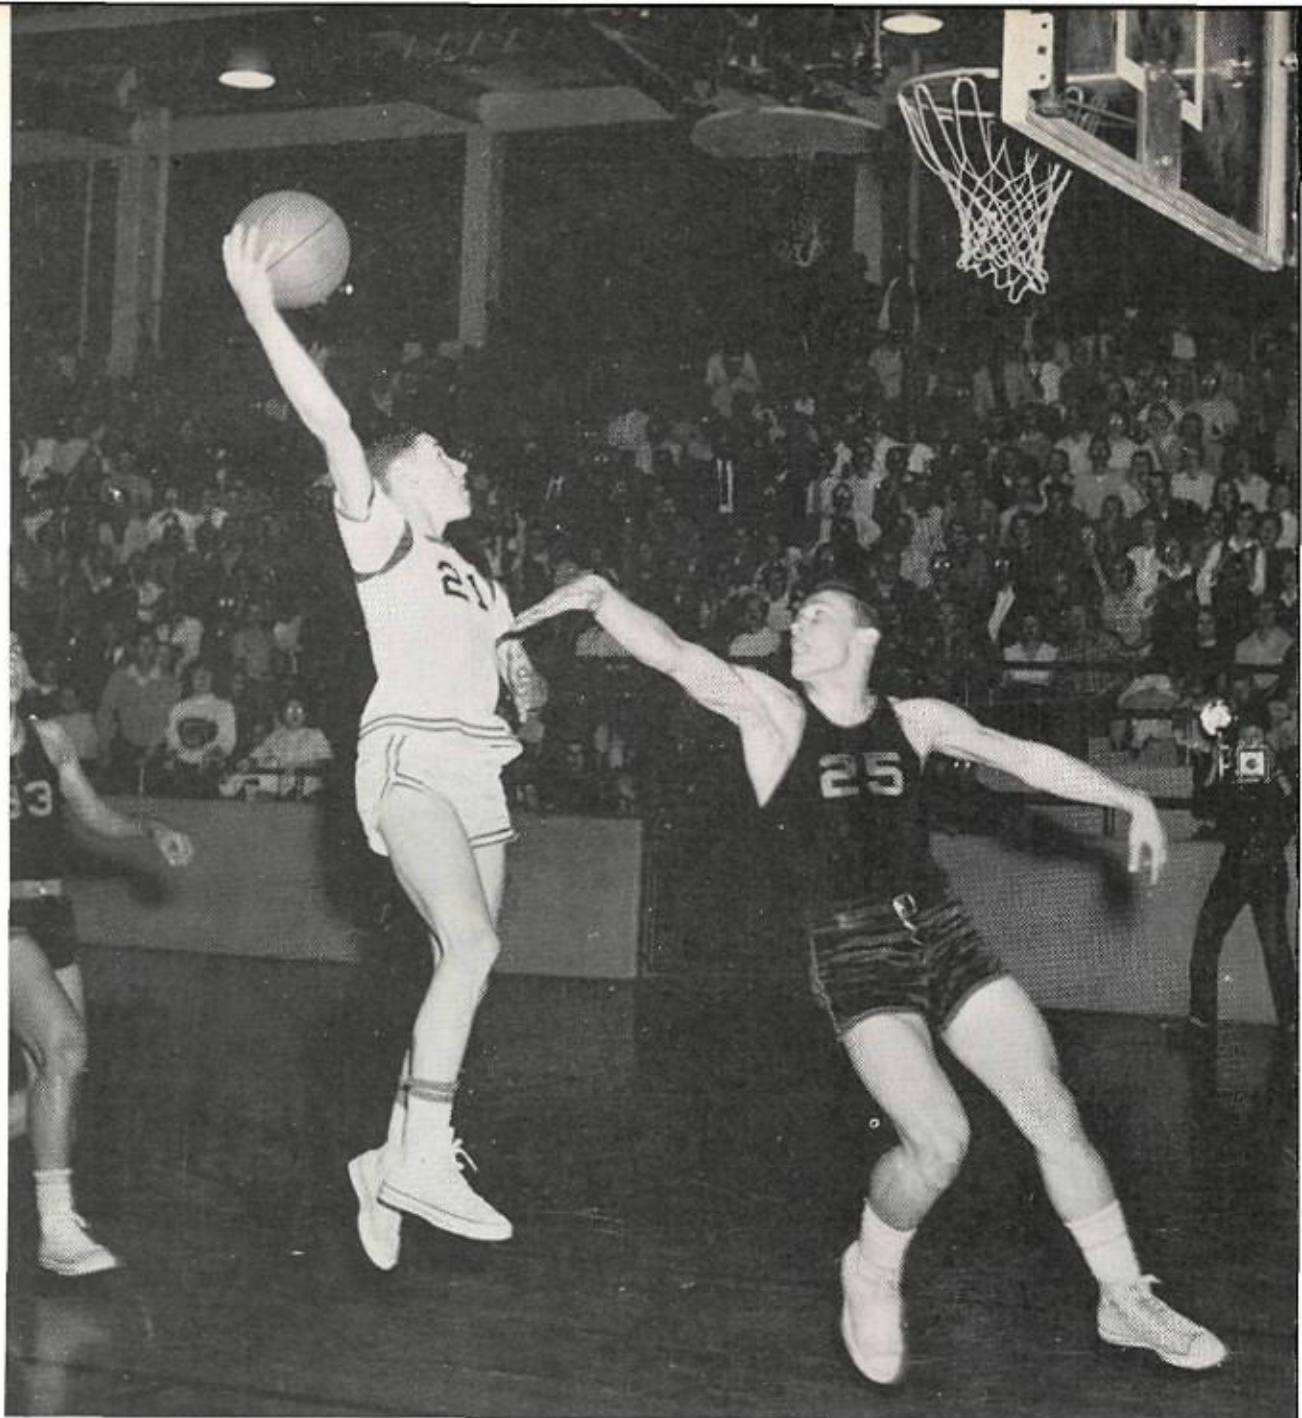

A fine competitor and hustler. Larry was handicapped by a late start and lack of experience. He has great possibilities and should be a star before he graduates.

PAT RIGBY
Sophomore, 5'7"

A fine sophomore prospect. With very little experience Pat has done a fine job. He improved from game to game and with more experience he should be a star before he graduates.

KENNY ROBINSON
Junior, 6'2"

A potentially great player. Kenny did a fine job as a spot player this year. We are expecting him to blossom into a really fine basketball player next year.

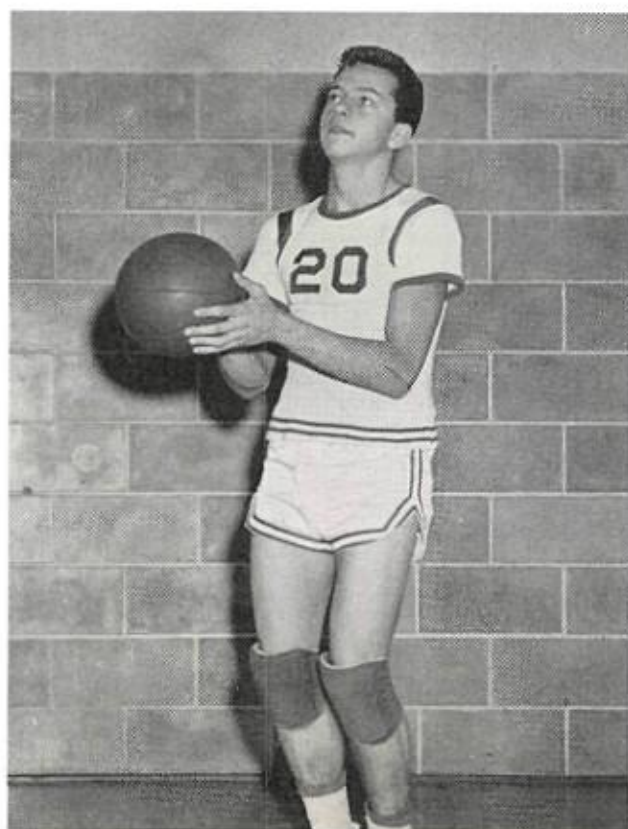

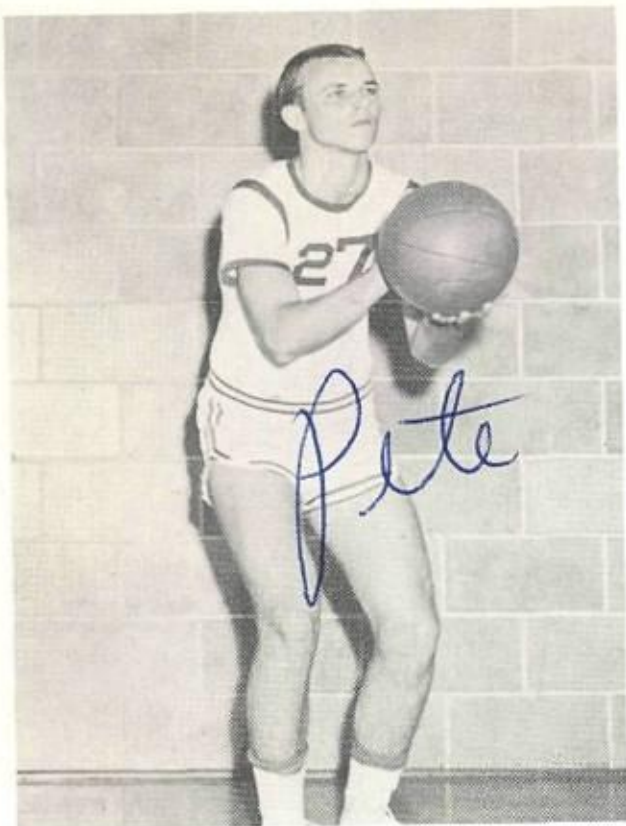

CARLYLE SMITH
Junior 6'0"

A fine all-round player. Good outside shooter, fine defensive player, excellent driver makes for a fine player. This is a good description for "Looni." With one more year he should be a really fine guard.

DAVID TEEL
Junior, 5'9"

His ball hawking antics have brought many smiles to Gopher followers and have brought groans of despair to rival coaches as his team was trying to run offensive patterns. David's inability to score is his big weakness, but he should conquer this before next fall. He is a fine ball handler and good feeder.

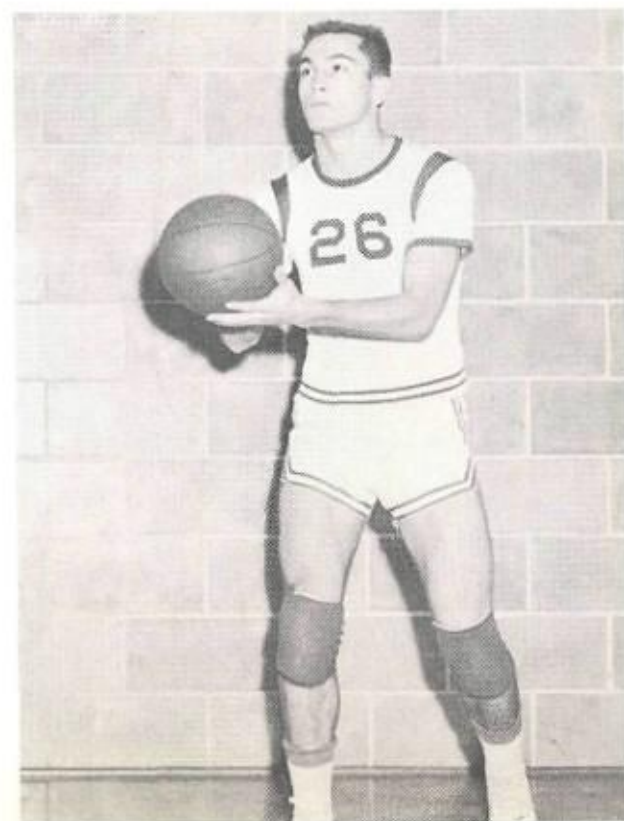

PETE THOMPSON
Junior, 6'0"

A fine deliberate type of player. Pete did a good job this year. He has a great one-hand push shot and a fine jump shot. He is a fine position player and rebounder. Pete should be one of the best next year.

RAY WALSH
Senior, 6'0"

Lack of experience cost Ray a starting position this year. Good attitude, speed and desire made him a fine addition to our squad. We will miss him next year.

"Keep cool"

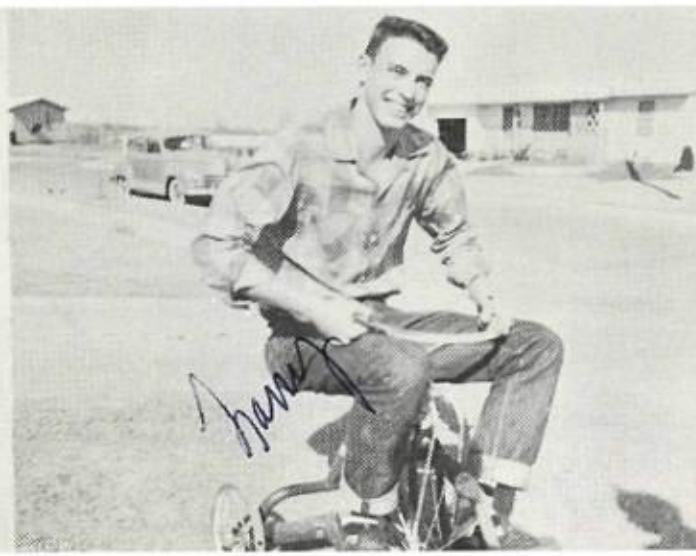

There is a serious one in every bunch.

Poor Owl . . . he must have met a Gopher!

"Tarzana" Smith

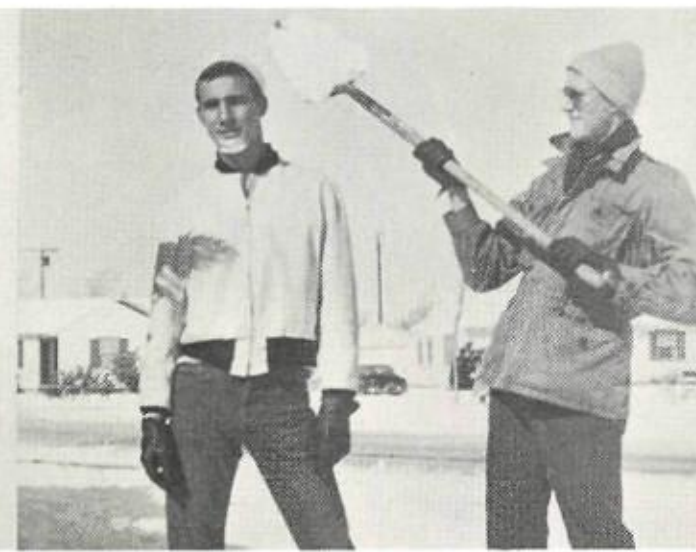

"When I grow up I want to be big and strong."

We are Latin students. And we can even smile about it!

We're just resting.

Look here! A new way to make a snow man.

"Scholars" pause at the doorway to knowledge.

Well, I guess I'll live.

It isn't snakes—just stringy fudge.

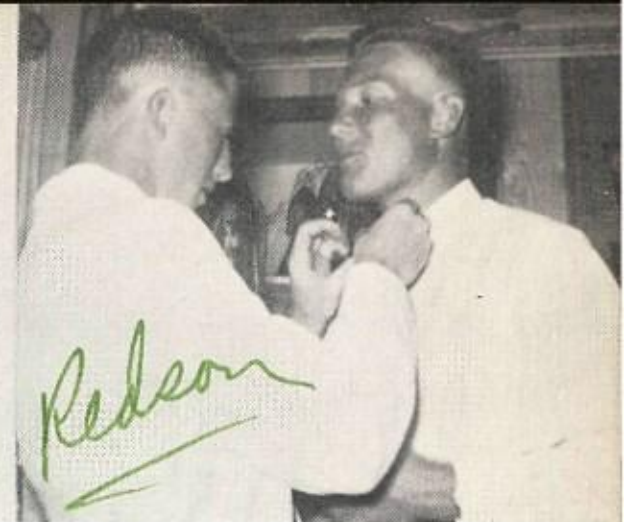

Not everybody can hold a car up with only one hand!

How's this for a sophisticated group?

Look! Do you think it can really be snow?

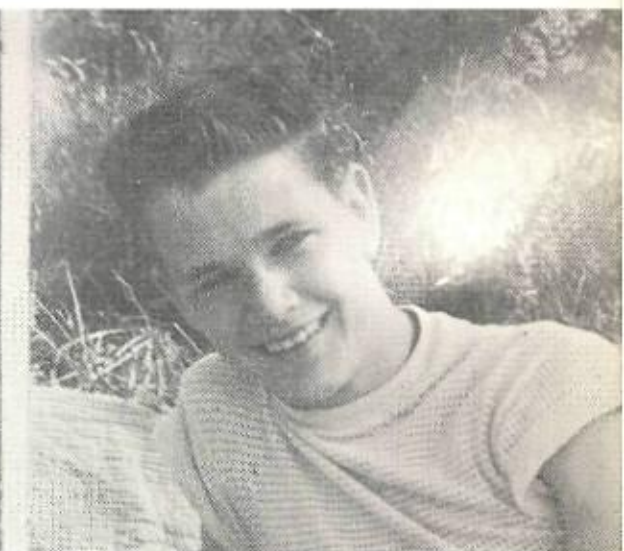

Now why couldn't you buy one that snaps on?

Are these characters still dragging that net?

"Boy howdy! Don't ever let me hear you use any slang!"

I love the sun and breeze and nature. Where's the food?

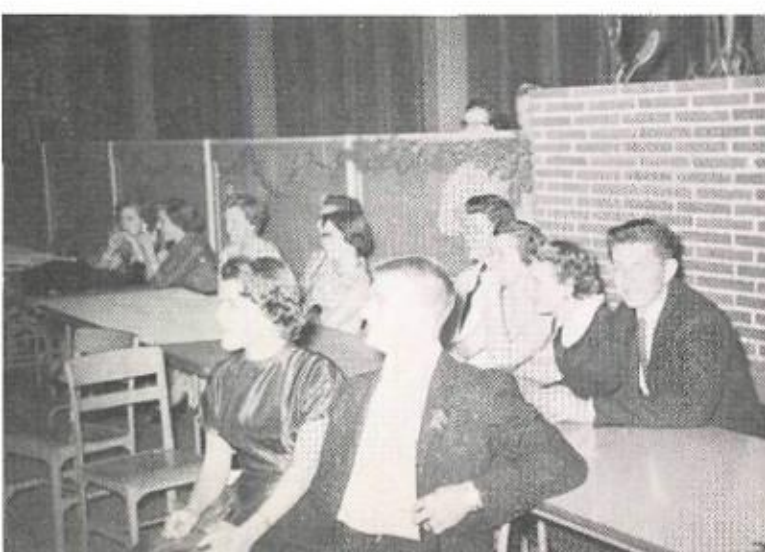

Some poor rabbit has had it!

Who cornered the Teddy Bear market?

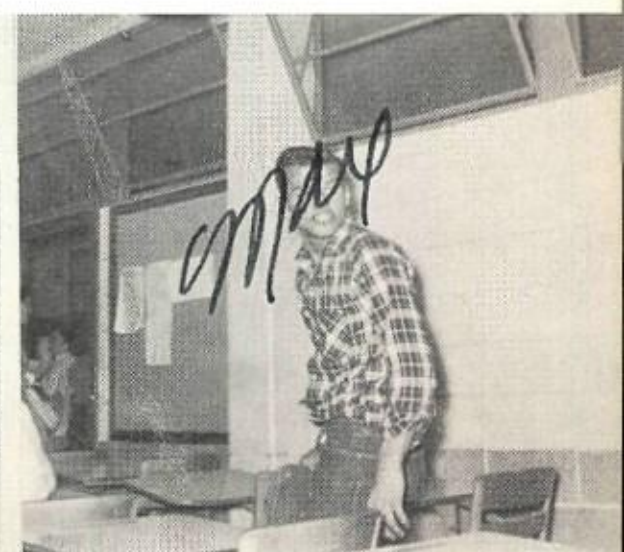

One of the lucky few who won at the Fair.

People are always so polite at parties. Can we leave now?

So many presents for me! Say, are you sure this is all?

Nobody is looking! I think I'll just sort of leave.

Quick! Grab it before it gets away!

You may be sorry in the morning!

A tame looking mob, but run for your life if the bell rings!

Oops! A camera! Stop groaning and smile!

Don't bother me. I haven't had my coffee yet.

My peanut butter toast got lost in the shuffle!

Put on a bop record! These slow waltzes are confusing.

What's this? Siamese twins!

How do girls ever live through slumber parties?

"You kids are driving me crazy!"

Let's wait until no one is looking and sneak some more cake.

Play it cool!

A visit inside TEMCO'S West Jefferson Avenue plant proved especially interesting to Grand Prairie High School Senior Ronald L. Berry. First, Ronald is planning on a career in engineering, and TEMCO'S production lines exhibit some of the nation's most modern aircraft designs. Second, Ronald's tour was guided by his father, W. J. Berry, a materials review inspector and 10-year veteran at TEMCO. Above, Ronald and Mr. Berry pause to inspect an aft fuselage section for the Air Force's F-84F "Thunderstreak" jet fighter. TEMCO manufactures major sections for the Thunderstreak and 12 other first-line military aircraft.

Dear Wanda,

Well, how goes. I didn't really know you until this year, and I realize I really missed something. We've had some good times and troubles. I hope we will always be the very best of friends, I know we will have our disagreements because we already have but everything always turns out in the wash. You are the one person I can really trust and I respect you very much for it. You have a sweet & understanding personality Wanda, something that many people don't have. I hope everything turns out for the best for you. I wish you the best of luck in the future.

Another Geep Annual is now completed,
Be it a milestone for Gopher High—
May it afford pleasant reading always
For our classmates as years go by.

Then when classes and studies are over
And years later when friends have gone,
May these pictures and exciting stories
Be with each Gopher Daughter and Son.

Life with classmates never lasts longer
Than the few months of study and fun,
The thrills of school time friendships
Are soon past like a bright setting sun.

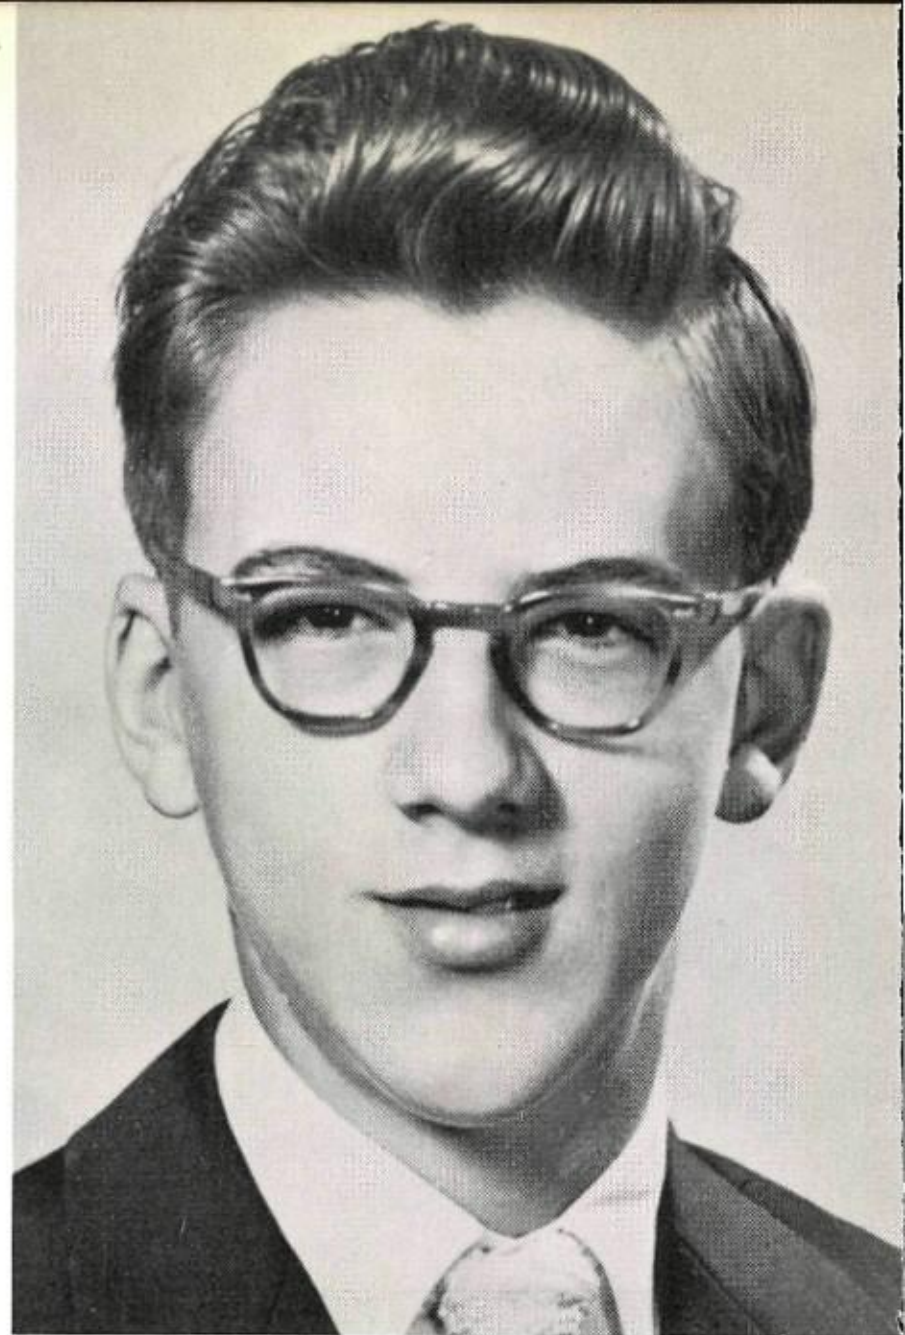

Look now to the great years before you,
Full of rewards for your good deeds done.
May the finest that life can give you be
Success and happiness all rolled up in one.

Sincere best wishes,
THE GEEP STAFF
